

Great news!! We learned from Linda Zelenka today that she will make available two slots to PVUMC for the November 4 - 11, 2008 trip to Cuba. These are for first-time-only travelers (which excludes Loree, me, Ellen and Jeff). The cost will be about \$1,400 per person (plus whatever cash and items you take into the country).

If you want to represent PVUMC with our sister church in La Sierra in November, please let me know immediately. Classes have already begun (which usually meet one Sunday afternoon a month until the travel dates). If we have more than two commitments from our church, I'll get with Jeff and we'll try to determine some fair way to pick the winning two.

You must have in-hand a valid passport good through at least May, 2009.
